

Roulhac Middle School 2020-2021 School-Parent Compact

School Responsibility	Parent Responsibility	Student Responsibility
Provide high-quality instruction in a supportive, positive, and effective learning environment.	Make sure my child is prepared for school each day.	Bring the needed school supplies and materials to class each day.
Use research-based and up-to-date curriculum and materials to ensure increased learning of the States standards	Have my child in school 100% of the school day unless there is reasonable cause.	Complete homework and projects by due date.
Encourage and provide open communication between school, home, and the community.	Assist my child with homework completion and its accuracy, study habits, and organizational needs.	Develop study habits which increase success.
Differentiate student learning to accommodate the learning needs of all students.	Monitor the amount of time my child watches television, uses video games, and social media.	Read at least 30 minutes a day as often as possible.
Progress monitor student learning and study student data throughout the year, making instructional changes as needed.	Participate in decisions relating to my child's education through scheduled conferences and meetings.	Ask for help when needed, at school and when doing homework.
Use technology for learning and study student data throughout the year, making instructional changes as needed.	Encourage my child to make positive use of extracurricular time.	Show respect and kindness to all adults and my classmates.
Hold a high standard for student conduct and character.	Stay informed about my child's academic performance.	Give to my parents all important papers, tests, and notices.
Utilize community resources to enhance student learning.	Have high expectations for my child's behavior and respect at school.	Make wise use of extracurricular time.
Provide a safe and comfortable learning environment.	Serve at the school to the extent possible when opportunities arise.	Be attentive in class and strive to do my best.
Keep students informed about their performance in each class.	Promote a positive attitude about the school and my child's success.	Remember that the main purpose I attend school is to learn.
